| The style of Guitar, the Frenzy of Percussion**吉樂風·瘋擊樂 (2012)**

內容包含多首吉他與打擊樂結合的曲目，也利用了吉他的經典曲目為音樂會的元素，以打擊樂器詮釋多種吉他音樂風格。

The style of Guitar, the Frenzy of Percussion (2012)

Taking in numerous numbers combining guitar and percussion, the shows utilizes classical numbers in guitar as one of the elements to the concerts while remaking original style with percussion flavors.

第一次聽到《起鼓》(Ki-Go) 這張專輯時，真的感動得差點要掉下淚來，因為這是筆者聽唱片以來，臺灣唯一一張可以真正拿到國際上與人一較長短的發燒片。—連鴻柏，All Music Magazine

The experience of listening to their Ki-Go album for the first time was so touching that I was on the verge of crying. It is the only record, among all I haven't listened to since day one, with the capacity to compete to any other records made in other countries. - All Music Magazine, Taiwan
